

URGENT MESSAGE TO THE WORLD
Message from Our Lady of Emmitsburg

Little children, praised be Jesus.

Little ones, I thank you for coming to pray. I wish all my children to pray because it will illuminate the Truth. Everything will come to the surface. The Truth will be made known to those who pray, the knowledge of yourself and of your Saviour will surface.

I can tell you that the new events that have just unfolded will have serious consequences. These events will have grave consequences in relation to your Constitution and your civil rights. It saddens me to have to tell you these things because I have *hope* here, especially here at the Center of my Immaculate Heart.

But few people are praying, and few desire to even know the Truth and to change. Because of these results, I tell you with all surety that the Four Horseman (of the Apocalypse, cf. Rev 6:1-17) have now suited up and are saddling the horses. When they will be released is for God the Father to know. But this act is an abomination to God the Father for the human family. Times change. Many things change, but the Truth cannot be changed. The Truth is the Truth, which has been outlined by my Son.

I encourage you to remain faithful to the sacraments. Keep very close to them with regular confession, prayer, the Mass and the Rosary - everything that you can do to be one with the Lord, my Son. For times will continue to be more confusing, and in that confusion it becomes difficult to pray unless you have a foundation in prayer.

Invite my people, *all* of my people, all of my Son's children, to pray! There is no time for fear. It is time to put on your armor, for the evil about to be unleashed here is *EVIL* indeed; and only through prayer will you have the perseverance, the fortitude, the courage and the strength needed to be the ambassadors of Light. To the few remnants that will survive, I love you and I thank you for praying. I take all of your petitions to my most Sorrowful and Immaculate Heart.

I remain *here* with you forever. I am *not* leaving because I love you, and I will keep you safe. Peace (fading whisper).
